

Across

- 4. Father of Information Theory
- 6. An indicator of stability
- 7. Downhill at higher frequencies

©2016 S. M. Joshi

Down

- 1. --- Stability criterion
- 2. Modify dynamic response as desired
- 3. (2 words, with 9-Down) Properties of a transfer function, graphically
- 5. Often necessary for stabilization
- 8. Ultimately bounded transfer function
- 9. Part 2 of 3-Down
